

- Please note:**
1. These lists are not exhaustive.
 2. Don't assume that the canned and dry versions of a food will be similar in nutrient content.
 3. Different flavors of the same food can be very different in nutrient content. If list specifies a flavor, it refers to that flavor only.
 4. Information updated **Oct, 2020**. Nutrient content of diets can change so check back regularly for up-to-date information (or check with the manufacturers).
